

# Course: Advanced Prompt Engineering

---

- Learn how to apply advanced prompting techniques such as prompt chaining and ReAct with best practices
- Build complex LLM applications such as agentic chatbots
- Learn how to prototype complex LLM applications with no-code tools

## Course Introduction

---

- Introduction
- Course Objectives and Structure

## Introduction to Flowise AI

---

- Installing Flowise AI
- Basic Chatflow with Flowise AI

## Prompt Chaining

---

- Introduction to Prompt Chaining
- Applied Prompt Chaining

## Building a Chatbot with LLMs

---

- Food Chatbot with Prompt Chaining
- Building the Food Chatbot

## PAL

---

- Introduction to PAL
- PAL Demo

## ReAct Prompting

---

- Introduction to ReAct Prompting
- ReAct Demo
- ReAct Under the Hood

## Agentic Food Chatbot

---

- Agentic Food Chatbot
- Agentic Food Chatbot with Flowise AI
